REQUEST FOR REFUND

Sir:

On February 22, 2002, the Initial Patent Examination Division issued a Notice to File Missing Parts if Nonprovisional Application. The notice alleged that the specification and drawings were improper because of incorrect line spacing and paper size. In response to the notice, applicants filed an exact duplicate of the specification and drawings originally submitted with this case. These documents were accepted and a filing receipt was issued. The Notice was issued in error because the originally filed documents were fully in accordance with 37 CFR 1.52.

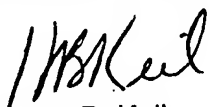

On May 6, 2002, Deposit Account 11-0345 was charged \$130.00 for late filing of the declaration and another \$130.00 for a petition fee. **These charges are not proper**

since the Notice necessitating the re-filing and petition was issued in error.

In view of the above, the Patent Office collected the two fees of \$130.00 each in error, and thus it is urged that the amount of \$260.00 be refunded back to Deposit Account 11-0345. Favorable action is requested.

Respectfully submitted,

KEIL & WEINKAUF
